Governor Signs Repeal of \$10 Motorcycle Fee

APRIL 24, 2008 --- On a picture-perfect day in Indianapolis, Governor Mitch Daniels held a ceremonial signing of House Bill 1310 in his office, removing the \$10 fee on all motorcycle registrations that funded the Indiana Spinal Cord and Brain Injury Trust. This bill corrects the method of funding by fairly assessing a 30 cent charge on all passenger vehicles and removes the burden from motorcyclists. ABATE members and other dignitaries looked on as the Governor signed the bill and thanked all who worked so hard to get this passed.
